

Please Note we are unable to accept any liability, and replace any orders sent via the first class postal option. To ensure peace of mind we encourage you to opt for the Tracked + Signed for service.

We package all of our bakes in a way that protects them as best as possible, however from time to time, items do get damaged in the post. We apologise if your items don't reach you in the same perfect condition they leave our bakery.

For any queries about delivery dates or charges please contact us via email
shop@yellowsubmarine.org.uk
